Traders - Neglect Standard **Issues and Center Activities** on War Stocks.

NEW YORK, Oct. 21.-Neglecting the standard issues, traders on the stock market today centered their activity on specialties, several of which made pheomenal advances to new high records. Bethlehem Steel, long the sensation of the market, broke its previous erratic sales to 500%. Studebaker advanced 1814 points to 19414, the highest price ever commanded; United States Indus-trial Alcohol made a new record at 123. a gain of more than 11 points, and Dis-tillers' Securities established a record with an advance of 4 points to 45½. Opening up 21 points at 550, Bethlehem on the second sale established its rec-ord at 550½, only to drop back with re-

actions of 5 or more points at a time to 560, but recovered shortly after noon to 5797s. to 579%.

Motor issues were exceptionally active, with Studebaker serving as the market leader. General Motors rose to within a points of the high record established shortly before the payment of the \$50 dividend. At 370 it was up 35 points for the day.

Central Leather was another record maker, registering a 2-point advance to 57%.

maker, resistering a 2-point advance to 57%.

White these issues were making their records the remainder of the market was comparatively quiet. A general advance was recorded throughout the industrial list shortly after the opening, but before noon the majority of these gains were reduced to fractions or wiped out.

As on yesterday the Graphophone stocks appeared to be reactionary. A total of 12 shares of the common was disposed of at 110, or 5 points below the high record established several days ago, and the stock was freely offered at that figure. The bid for quotation lots of the stock, however, was slightly higher than on yesterday. The preferred stock, like the common, was offered several points below the prices asked on the previous day.

Stocks of banking institutions, while not traded in, appeared to be in better demand. The bid on Farmers and Mechanics National Bank was advanced 4 points to 26; that on Washington Loan and Trust 2½ points to 239, and that on American National Bank 2 points to 152.
